Thanks for the email and info.

Will continue to address the issues. Last week I believe we conducted a task force and seized several tons of trash. Also booked a good number.

Also, we assigned a commander specifically to oversee all issues related to homeless and Vending.

Commander Chamberlain will oversee our deptwide efforts.

I have cc'd him and Chief Arcos.

I'm hopeful you will meet with him soon.

Also, it's time for our lunch meeting. I will ask Ana to coordinate for us.

Jorge

**Subject: Morning shift update 2/15/16**

Good afternoon everyone, today's shift went along smoothly, we started the day off with morning wake up calls at 6am around the district. We received multiple service calls for 41.18d throughout the district. We also had a detainment at 460 S Spring St. on the 5th street side at about 8am. Loss prevention was in pursuit of a 415 female individual that was very combative and aggressive. As we approached 212 W 5th St. I stood in the east bound side of her and Officer Valle on the west. As I proceed to ask her to return the items, she turns left and swings and lands a right hand punch on Officer Valle's shoulder. We prepare to put gloves on and she runs across the street (Buzz 460 Spring st) and we proceed to detain her. The whole time she resisted arrest, kicking, punching, and spitting. Once we Cuff her she kept trying to stand up and spit. LAPD officer Ramirez responded and she was taken in for battery. Soon after finishing this call we receive another call for service at 545 s Main st on the 6th Street side for a Homeless man Masturbating in public. When officers Vega and Guzman arrive he was blocking the entrance to the cars

he was not cooperative but Officers Vega and Guzman were persistent and soon the Subject relocated. About an hour or so later, Myself and Officer Valle see the same subject blocking the side walk, asleep at 509 Main street. We asked for him to relocate under penal code 41.18d he refused and began to expose himself. He then asked people to call police and an associate of LACAN began video taping us. I proceeded to ask him if he had a complaint, he did not respond. After the subject relocated we continued with service calls. No further activity to report
